The Audéo S Family

Wouldn't it be great to hear all the sounds you've been missing such as your grandchildren's voices or conversations in a large gathering? Meet the Audéo S MINI, Audéo S SMART and the Audéo S YES. Each of these Audéo S products feature Phonak exclusive SoundRecover technology which shifts high frequency speech sounds from an inaudible range to one where you can hear clearly in any environment. The Audéo S product line offers the world's smallest, wireless and most stylish hearing aids.

“I’ve noticed that I am speaking softer, and now that the volume of my voice is quieter I feel that what I communicate is received better. I would recommend people to try them. I think they’re fantastic!”
– Edward C.

“I used to have to ask people to repeat themselves. These aids have made for better understanding of the people I’m talking to.”
– William F.

“Phonak Hearing aids with SoundRecover have really improved my hearing ability while watching TV and talking on the phone.”
– Dorothy F.
