# Having trouble hearing? Take this quiz.

YES NO

1. Does your spouse/family think the TV or radio volume is too loud?

YES NO

2. Do you have trouble hearing on the phone?

YES NO

3. Do you often ask people to repeat themselves?

YES NO

4. Do you feel you can hear people but sometimes can't understand them? Women's & children's voices and words like "dime", "time", "bake" and "take".

YES NO

5. Are you missing key words while having conversation in a crowded restaurant or at family gatherings?

YES NO

6. Do you have ringing in the ears or other head noises (buzzing, crickets, hissing, etc..)?

YES NO

7. Do you feel like you may have excessive wax in your ears?

*If you checked any of the above you may have a hearing loss.*  
**Call today for a free hearing screening.**

## Phonak Ambra – Small and Discreet

Phonak Ambra is available in 14 different styles.

All of them lead the industry in miniaturization and performance, not to mention robustness and convenience. Each Phonak Ambra is moisture and dirt-protected to ensure long hours of trouble-free hearing.

**Discreet no matter what style you choose.**

Behind The Ear

In The Ear

# Always connected. Anywhere, every time.

TV with TVLink and iCom

Leading an active life means interfacing with telephones, televisions, MP3 players, computers, stereos and other audio sources. With iCom and Bluetooth™ connectivity, you can fully enjoy all the advantages of modern communication and entertainment systems through your Ambra hearing instruments.

Ask about the NEW TVLink Transmitter, which transmits sound directly from your television to your hearing aids wirelessly.
