

Enjoy the Outdoors Like Never Before

Wouldn't it be great to hear effortlessly while hiking, picnicking with the family, or flying a kite with the grandkids?

Introducing **Phonak WindBlock Management**. WindBlock Management utilizes a newly engineered wind identification and classification system. This powerful technology automatically suppresses wind noise. Teamed with a microphone shield, it allows wearers to enjoy the outdoors without compromise.

{Practice} is delighted to invite you for an individual consultation of your hearing needs. Join us for our special event:

Day, Month and Day, Month

Experience this amazing technology in person!

During this special event, we will offer the following complimentary services:

- Personal consultation and demonstration of WindBlock
- Risk Free 60 Day Trial
- Upgrade your old hearing device for \$500 OFF a pair of Phonak's Premium Technology instruments!

As an added benefit, we have invited special guest and Phonak technology expert NAME to provide personal demonstrations of these hearing instruments during this event.

Appointments are limited so please call today!
