

# Rediscover hearing delight

Wouldn't it be great to hear effortlessly while dining at a busy restaurant, enjoying a night at the theater, or talking on the phone?

Meet the Audéo S hearing devices. These hearing systems offer leading technology in a discreet design. What's more, Phonak premium Audéo S devices automatically adapt to the ever-changing environments of your life.

{Practice} is delighted to invite you for an individual consultation of your hearing needs. Let us build you a hearing system for your individual needs!

**Day, Month 26th and Day, Month 27th**

We can customize a hearing system for you based on:

Your Hearing Loss  
Your Listening Needs  
Your Budget

During this special event, we will offer the following complimentary services:

- Personal consultation and demonstration of the Audéo S SMART hearing aids
- Risk Free 60 Day Trial

Please CALL to set up an appointment:  
**888-888-8888**

As an added benefit, we have invited a special guest and Phonak technology expert to provide personal demonstrations of these hearing instruments during this event. **Appointments are limited so please call today!**

Yours for better hearing,
